Visual designer with four years of brand identity, campaign and report design for consumer apps used by millions, at Glance, Eloelo and Supr Daily. Now completing a Master of Communication Design at RMIT in Melbourne.

Work Experience

Glance

Nov 2022 – Mar 2024

Senior Graphic Designer

- Designed the **Nostra Gaming Trends Report 2023** (38 pages) and the templates, layouts and media assets for the **Glance Annual Insight Reports** for 2023 and 2024.
- Designed the logo for **Novo**, Glance's news app, built and presented the logo deck to stakeholders, and contributed to its 46-page brand book. Average views per article rose from **2,000 to 20,000**.
- Designed the **"Feel The Blue"** campaign for the Cricket World Cup 2023. Live-score viewers on Glance grew from **10 million to 50 million**.
- Created the brand guidelines for **Nostra**, Glance's gaming platform, designed the initial look of its website and designed posts for its social channel.
- Designed key visuals and posters for the **1Weather "Own the Day"** launch, which reached **50,000 downloads** in its first month.

Eloelo

Sep 2021 – Nov 2022

Visual & Product Designer

- Rebranded the live streaming app from Eloelo to **Elo Live**: new logo and mascot, brand font and brand colours.
- Designed shareable stream cards that lifted average viewers per stream by **150%**.
- Illustrated a Bollywood sticker set for live chat, and designed a custom game for a brand collaboration with **Lay's**.
- Produced ad creatives and brand assets for Google Ads, social media and the Play Store.

Supr Daily by Swiggy

Mar 2020 – Sep 2021

Visual Designer

- Designed marketing across **push notifications, emailers and in-app banners** for a daily grocery delivery app.
- Designed brand collaborations with **Monster Energy, Cadbury, Smoodies and Nestlé**.
- Designed the **user manual** that helps delivery executives learn the app.

The College Fever

Dec 2019 – Mar 2020

Graphic Design Intern

- Designed posts for the company's social media channels.
- Designed posters and event assets for the company's clients.

Education

RMIT University, Melbourne

2024 – 2026

Master of Communication Design

Projects include **ABYX**, a type system typed with four game-controller buttons, and **Buzzar**, a brand that turns discarded rice bags into tote bags.

Manipal Institute of Technology

2015 – 2019

Bachelor of Technology in Instrumentation and Control Engineering

Other Experience

Woolworths

Jan 2025 – Present

Team Member, Fresh Convenience · South Yarra (part-time)

- Prepare and stock fresh ready-to-go food to food safety standards, and serve customers during busy trading periods, alongside full-time study.
